The main entry points to the School are PG, Class I, Class 6, Class 9 and Class 11. However, we grant admission to children in other grades as well, dependent on availability of seats. The Admission Cell will provide you with help and guidance throughout all aspects of the admission process. We welcome general enquiries and we are happy to discuss issues of a much more specific nature about the school. You are most welcome to visit the school and have an informal discussion with or without your child. This can be done by fixing a prior appointment using our contact details given below-

ADMISSION CRITERIA

Admission to the school is completely assessment based. For **PG & Nursery** classes we interact with child to know her/his eligibility while class **L.K.G. onwards** we conduct **WRITTEN TEST** followed by **INTERVIEW** of Child & Parents to assess the student's Educational development, Communication Skills, Social Skills, Academic Enthusiasms, Extra-Curricular Interests & Achievements. The aim of the interview is to find about what the student knows, understands and enjoys. Parents are requested to be frank and honest in providing information. This information would in fact help the school to create a suitable environment for your child, once admitted. Any wrong information discovered later may lead to cancellation of admission. On being offered a place, parents are required to pay the admission time fee to secure their place. Mere granting of admission does not secure the place of the child and the parent must complete all the formalities.

To Apply for Admission in any class Parent/Guardian need to **REGISTER** the child for assessment, which can be done on school visit or through website or Call by paying requisite Registration fee & filling the Registration Form.
